

Bespoke cover from THB Motor Fleet

THB Motor Fleet (part of the THB London Market team) is pleased to introduce a **bespoke Motor Fleet insurance policy** placed through an internationally recognised market leader which encompasses both a wide range of premium spend and class of business.

Exclusive fleet policy cover available includes:

- Optional two year LTA to assist your policyholder to better manage their budget in these difficult trading times - available on all premium sizes, large or small
- **Free** temporary additional vehicles (subject to conditions)
- **Free** foreign use for all classes of vehicles (subject to conditions)
- More relaxed driving warranties (closing the gap between traditional London Market & composite market wordings)
- Six-monthly declaration facility resulting in reduced administration & mid-term premium adjustments
- Enhanced benefits for personal effects, audio equipment (including sat nav), medical expenses
- Comprehensive option in respect of special types
- Competitive in-house finance arrangements (*including agent over-rider*)

As with all THB-placed motor fleet risks, a free RAC uninsured loss recovery policy is automatically included which also extends to cover your clients' employees whilst driving their own vehicles.
