Lloyd's Brexit Transfer

While the exact nature of Brexit is yet to be confirmed, clients of THB in the EEA, or those with risks in the EEA, are assured that we continue to prepare thoroughly. In the event that new procedures are required to continue servicing European-related business, we will contact relevant underwriters and cedants with full details.

Please see below a Note to Policyholders that Lloyd's has requested we make publicly available:

Lloyd's is proposing to transfer certain EEA insurance policies to Lloyd's Brussels. The proposed transfer will not change terms and conditions of any policy, except that Lloyd's Brussels will become the insurer and Data Controller in respect of the transferred policies.

Further information about the proposal (including whether it could affect your pre-transfer position), which policies are transferring, your rights and what you need to do can be found at [lloyds.com/brexittransfer](https://lloyds.com/brexittransfer).
